UNIVERSITY OF NEW HAVEN

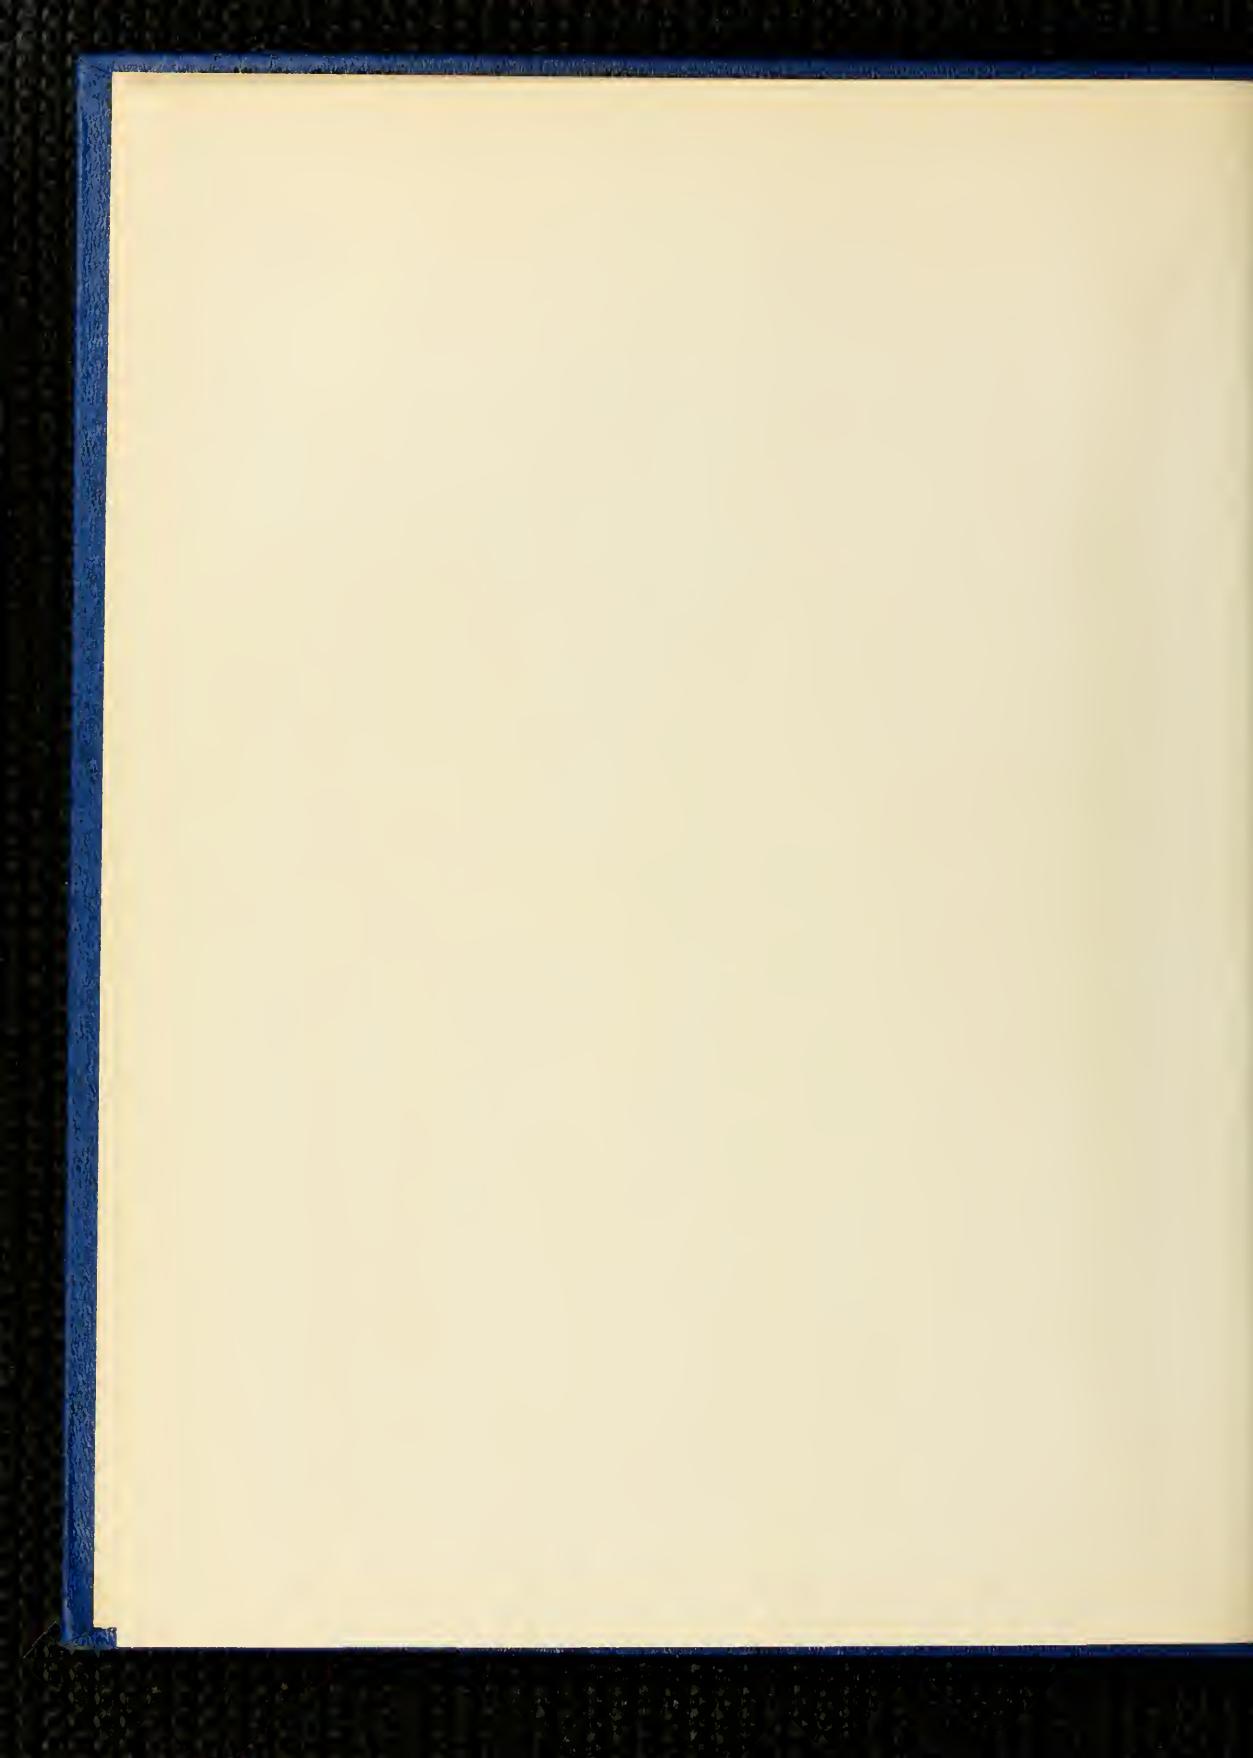

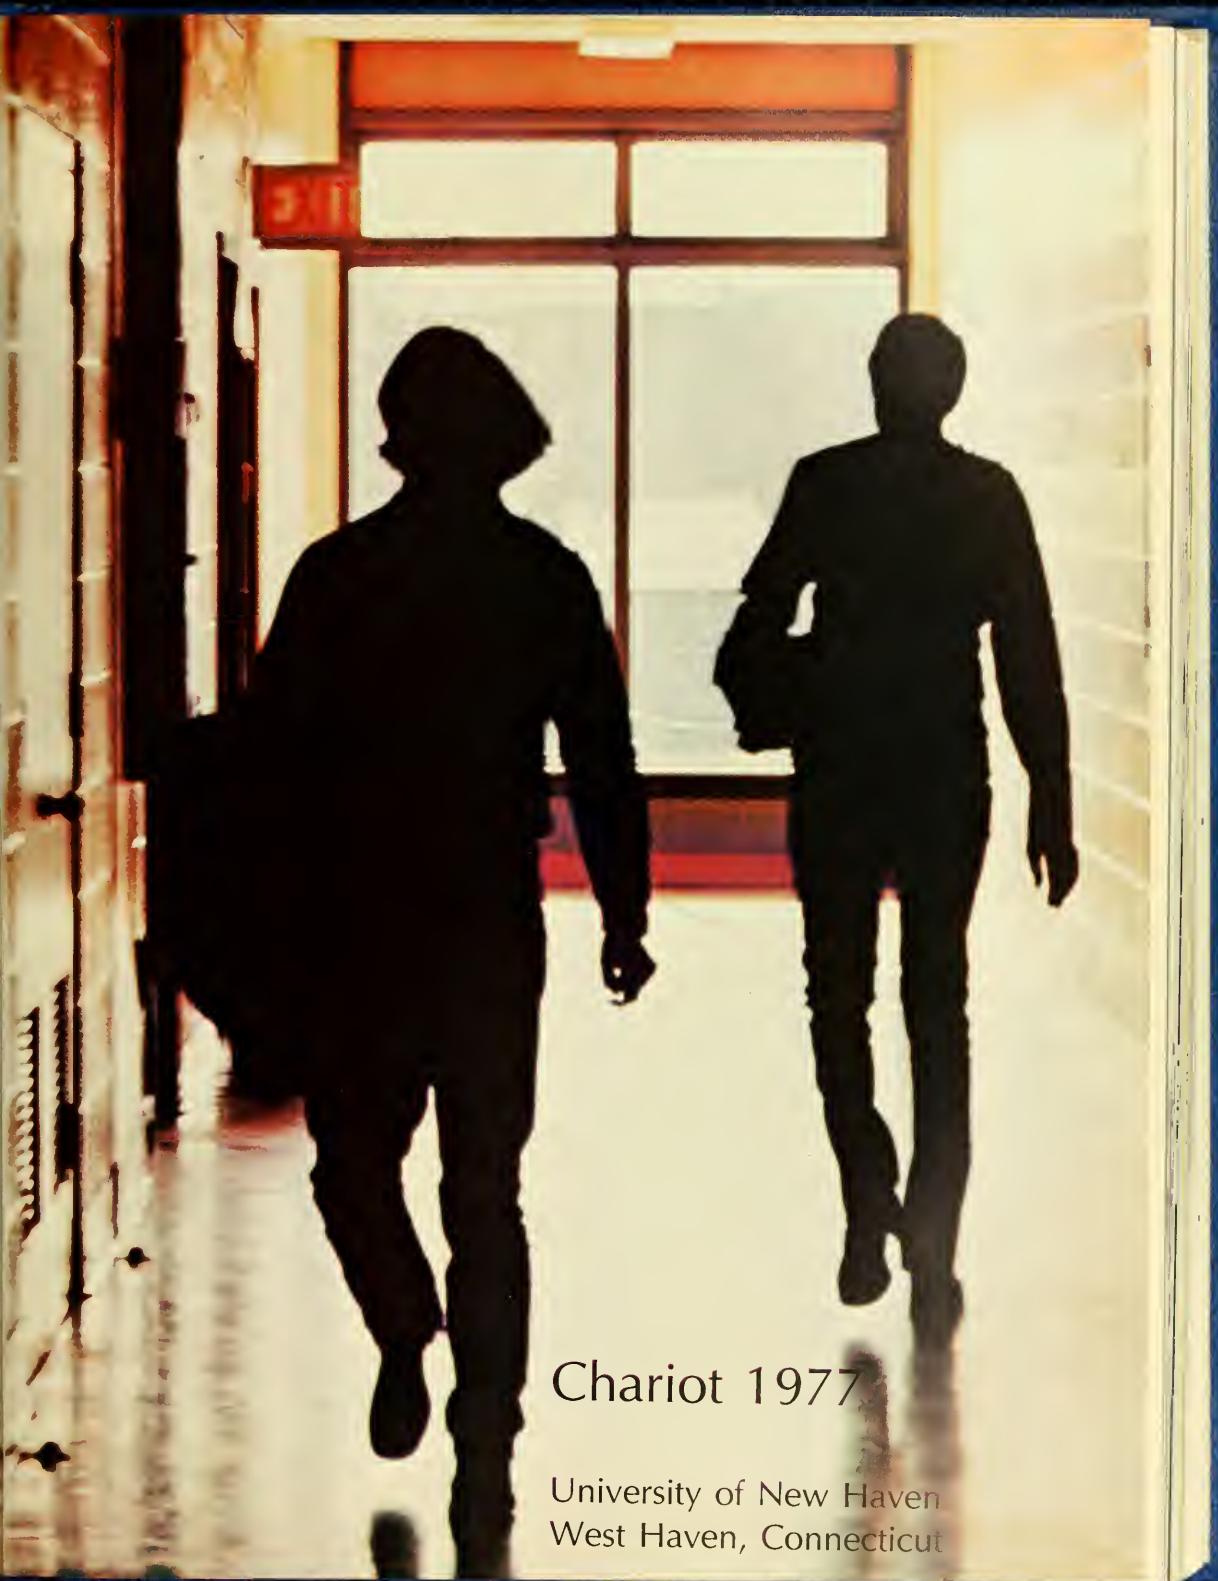

We know what we had in the past,
And we know what we have at present;
But what will we have in the future?

We know what we have today;
But what will we have tomorrow?

We know what we want today;
But what will we want tomorrow?

We know what we have to give today;
But what will we be able to give tomorrow?

REFLECTIONS OF . . .
our beginnings

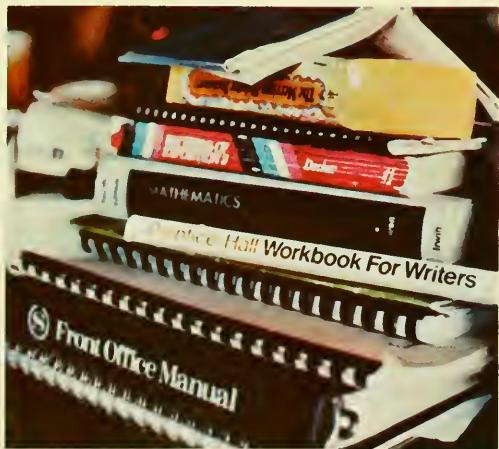

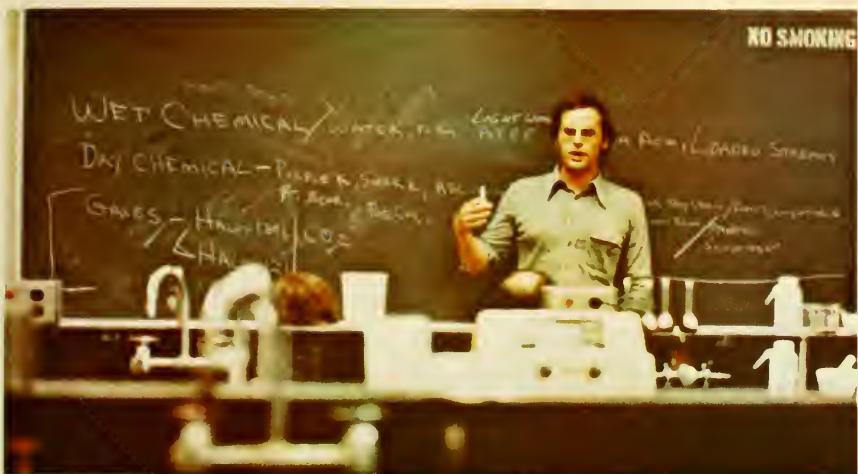

our
presence
in
groups

the
solitary
moments,

hours spent being
taught
and
learning

hours
spent

competing,

times away
from all

that
is
familiar.

time spent
in activities.

entertaining
ourselves,

entertaining others.

or being

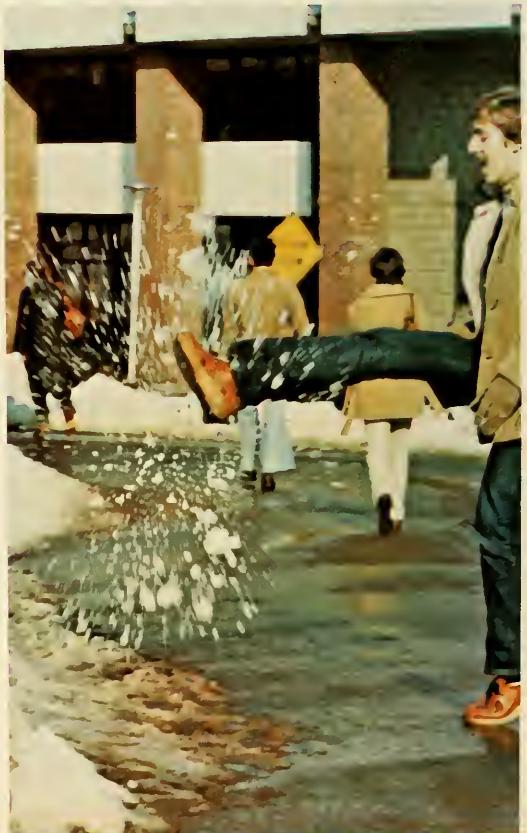

entertained.

reaching
our
goal.

during it all,
there were moments
spent completely
alone,

with
friends,

and
lovers.

Reflections of all that is past

And all that is to come.

SENIORS

TO OUR GUEST

If you come cheerily,
Here shall be jest for you;

If you come wearily,
Here shall be rest for you.

If you come borrowing,
Gladly we'll loan to you;

If you come sorrowing,
Love shall be shown to you.

Under our thatch, friend,
Place shall abide for you;

Touch but the latch, friend,
The door shall swing wide for you!

Slowly
ever so slowly
you and I shall come to know
and perhaps to understand
 that
the strength
 that throbs
within these restless wings
 is such
as we have found
 in unseen

THE AUTUMN EXPERIENCE

Memories of summer time ecstasy's
weigh heavily at this time . . . but
soon they'll vanish and fresh endeavors
will occupy the mind.

The warm air of autumn in its travel
during the day . . . whistles gracefully, and
blissfully, yet mysteriously in a way.

Purposely brushing against the earths
constituencies autumn air sheds its
mystery, it dares to expose the many
elements which have enabled its existence.

It offers new awarenesses, new generations
of ecstasy and new ambitions . . . to those
who solidly care. It's a mellow season,
a colorful season . . .
Consider such a season rare.

Not necessarily to its destiny . . . the autumn
air continues to journey (carelessly in a sense)
to share with other earth constituents "The
Autumn Air Experience."

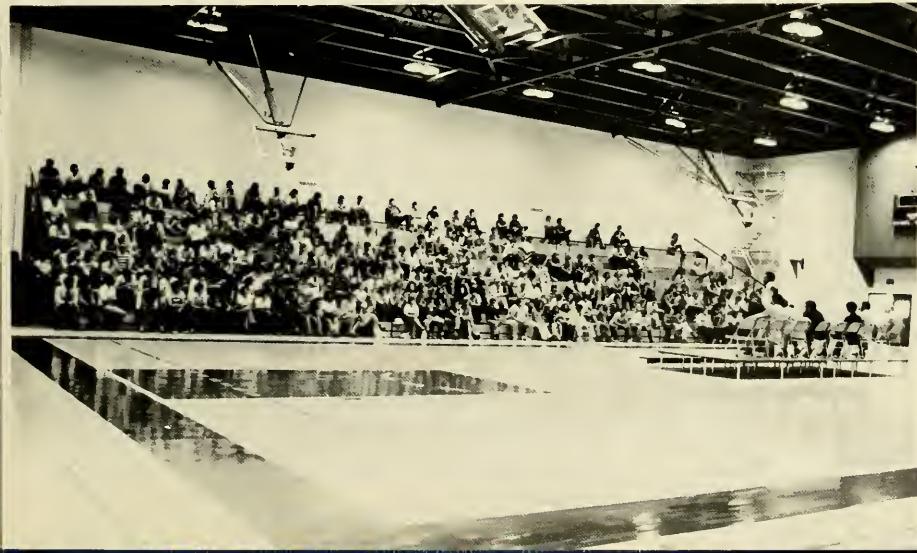

AUTUMN

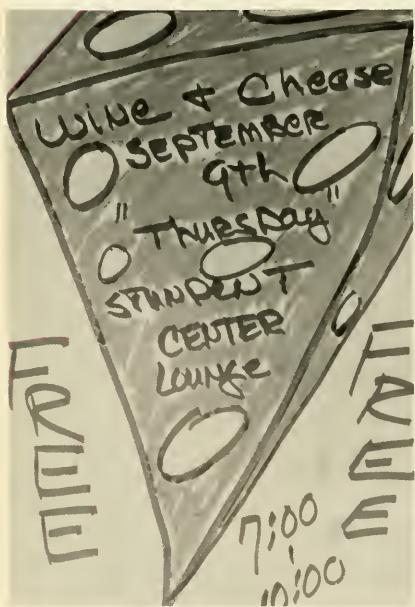

ORIENTATION WEEK

During the week of September 7th through the 10th, orientation was held for all new incoming students. The purpose of orientation is to acquaint students, especially the new ones, with the many facets of campus life. Welcoming speeches were made by the administration, students purchased books and had their pictures taken for i.d.s, and then all settled down to the more important business of relaxing with old friends and making new ones.

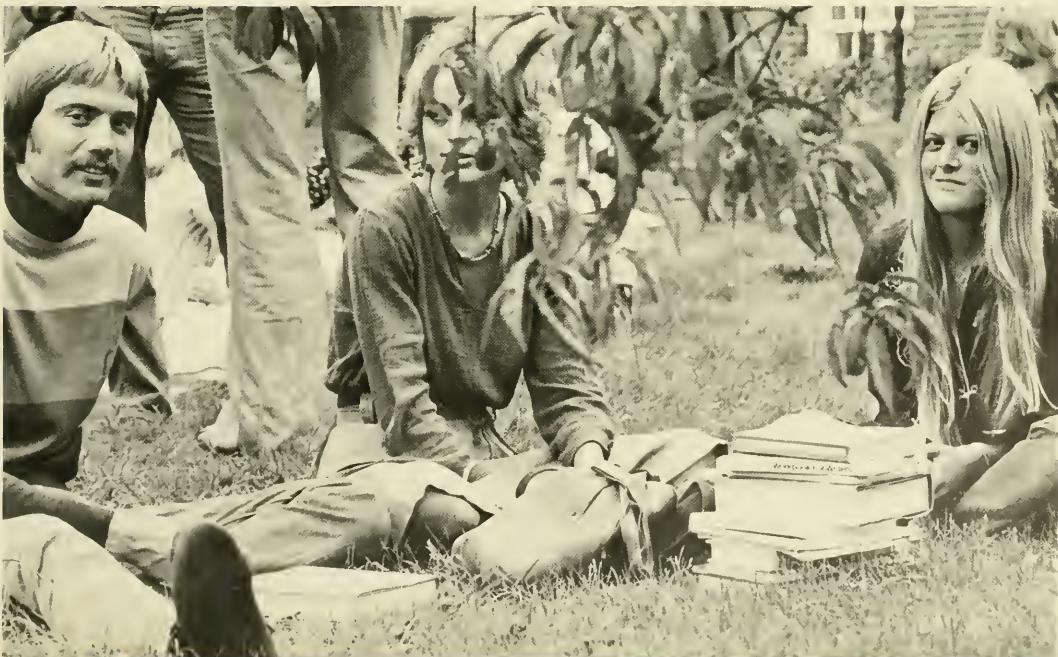

All Day Picnic

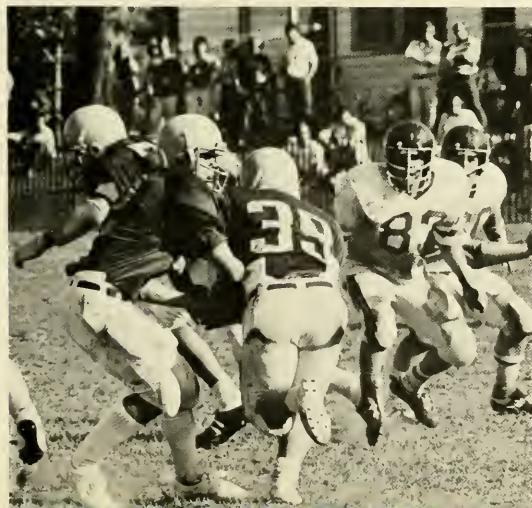

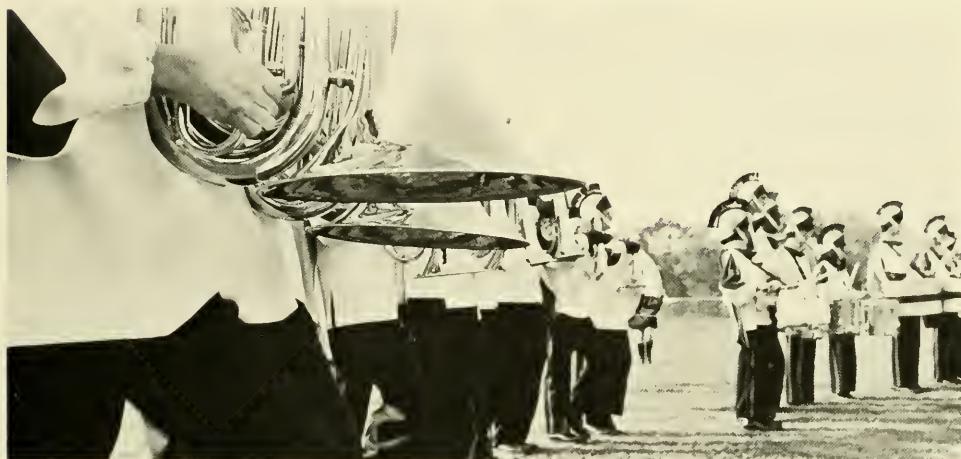

An all day picnic was held on Friday, September 10th as part of orientation week. Despite threatening skies, many students turned out for the picnic to find some familiar faces, meet some not-so-familiar ones, and have an overall great time. The key word for the day was "enjoy"!

Homecoming

This year's annual alumni Homecoming was held on the weekend of October 15, 16, and 17. Various events took place throughout the weekend including soccer and football games, an after-the-fame get together in the Rathskellar complete with the Ten Year Late Jug Band, a free beer homecoming dance, and an alumni golf tournament. It was a very memorable weekend for current students as well as alumni, one which will be remembered for quite sometime.

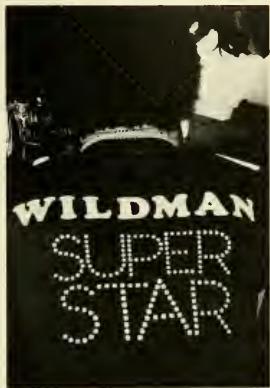

Final Celebration
Homecoming "76"

Talent Show

The Rathsellar was the setting for a talent show, the school's second — on Saturday, November 6th, from 9 p.m. to 1 a.m. Various students, including some of the soccer players, performed in the show which was organized by Mike Pajka. A plaque was donated by the Schaeffer people to Rick Randell, a talent pianist who was in the show.

President's Fall Welcome Dance

On October 23rd, 1976, the Evening Student Council sponsored the annual Fall Welcome Dance. The event, which was held at the Yankee Silversmith Restaurant in Wallingford, was a very good opportunity for students, faculty, and administrators to get acquainted with one another to have an enjoyable evening.

Cabarets

Cabarets are one type of social function which the D.S.G. sponsors throughout the semester. The shows which feature amateur and professional talent, draw in a large part of the student body. Past Cabarets have featured such talents as Mr. Fingers, Hansen and Hammill and various other magic, comedy and musical groups.

Lecture F. Lee Baily

Students and faculty alike gathered to hear the famed lawyer and author F. Lee Baily speak at the north campus on Thursday, December 9. The lecture generally informed listeners about the U.S. court systems. Unfortunately Mr. Baily did not discuss the controvertial Hearst case.

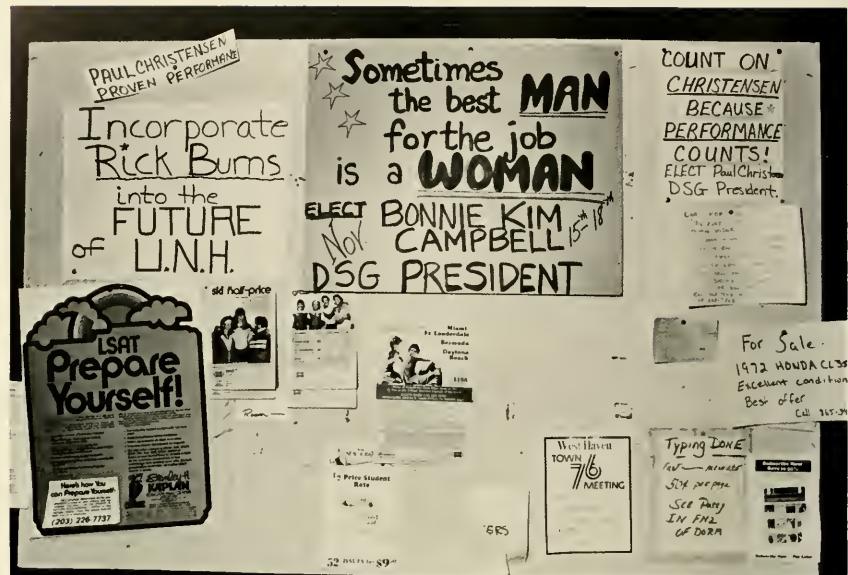

Registration

Spring registration was held on November 16-17 and as usual left many people out in the cold, literally, for hours, despite promises from the registrar for a quick operation. Once inside, students were directed to our new computer system, which broke down. Problems, problems . . .

DSG Elections

During the three weeks prior to November 15th the entire campus was barbarded by posters, balloons, billboards and various other media calling for the support of one of the candidates for Day Student Government president and delegates. Then, from November 15-18th the election were held. Four member of the student body vied for the position of D.S.G. president, with Rick Burns, coming out on top, by carrying the votes of 395 students. The other candidates in the running included Robert Besket, with 223 votes, Bonnie Kim Campbell, who carried 199 of the student body, and John Taroli, who had 57 votes. The elections were as exciting and tense as usual, and everyone was relieved when the results were in; Especially the team of Burns and Ladyko.

Black Weekend

The weekend of November 19th through the 21st was an important one for the Black Student Union. A cultural weekend was sponsored by the group. The events which took place over the course of the weekend included everything from a lecture and cultural dancing and Music, to a cabaret and a Fashion Show with the theme of "We've Always Looked Good." It was a good chance for both white and Black students to get together and learn a little bit about the Black Heritage.

THE WINTER RENAISSANCE

It is a season of much thought,
many new discoveries and less
recreation, this season demands
sincere application when forming one's
foundation.

As a sharp, piercing season winter
seriously attacks its victim . . . by
declaring itself a dedicated challenger
it accomplishes all of its convictions.

Such a brisk, slippery season traveling at
a slow, steady pace . . . Winter delivers the
commandment of knowledge "Thou shalt not
erase."

Survival is uncertain during this callous
season day . . . for winter treads the very
path that lead the fawn astray.

Although this time is somber, and stable
in its mood . . . its purpose of existence
is clearly understood.

Tranquility in this form appears
but only once . . . Theres little to compare
with "The Winter Renaissance."

D.S.G. Awards

The second annual Day Student Government awards ceremony was held on Wednesday, Dec. 15th. The purpose of the awards ceremony is to recognize certain students and faculty members

who have contributed in some way to the well-being of the University, either through their participation in a particular club or committee or some other phase of the university community. Many students, including Rick Burns, newly elected president of the DSG and Marion Garnitz, Editor of the Chariot, received trophies.

Finals

Dec. 18th. to the 23rd. was a time of mixed feelings for many students. Although the Christmas Break and the Holidays were only a matter of days away, final exam time was at hand which brought feelings of tension to many students, especially those who neglected their studies all semester long. However, those who were serious about getting decent grades made an earnest effort to come out on top, and make it through another semester on University Hill.

Evening Student Christmas Party

A Christmas Party sponsored by the Evening Student Council was held on Saturday, Dec. 11th, in the Student Center.

The party, which was given for the children of the evening students, featured entertainment by magician Bill Dayton and refreshments. A good time was shared by both young and old.

DSG — Old and New

The fall semester saw the conclusion of David Bafalini's administration in the Day Student Government. The Bufalini Administration, which was in command for two consecutive terms, was able to maintain its enthusiasm despite the fact that there were several changes in the staff of officers. With its promise of warmer weather, the spring semester introduced a new administration to the Day Student Government. In his first semester as president Rick Burns and his administration carried with them the promise of continued enthusiasm along with the spirit of change and the hope for further progress in the Day Student Government.

Orientation

On Tuesday January 18, 1977 all the new students who were entering the university for the Spring '77 semester — their first on the UNH campus, assembled for orientation. Although there were less students who entered school in the spring semester than in the fall, everyone still experienced their "initiation" into campus life, which includes such things as meeting new people and waiting in lines at the Bookstores and Business Office. Once a student passes these tests of patience, he has taken the first steps towards becoming a member of the university community.

Concerts

Every semester brings various performers to the University campus. These entertainers provide a refreshing change from the usual grind of books and school work. A couple of people who entertained during the fall semester included, Homesick John O'leary a composer and vocalist who entertained in many New Haven area pubs and establishments and Roy Ayers, a talented Black performer, and jazz vocalist, who entertained along with a band and backup group. These concerts definitely are an important part of life at UNH.

January Commencement

On January 23rd the University of New Haven's 6th annual mid-year commencement exercise was held in the North Campus Gymnasium. The brightness of the day coincided with the feelings of the many students who received diplomas from the university. 183 master degrees, 201 undergraduate degrees, and 36 associate degrees, were presented along with various honorary degrees to outstanding persons in the New Haven area.

THE OTHER SIDE OF ME

You think you know me pretty well
But how can you tell
You never get inside my head
The times we talk
We never speak
We play hide and seek
So many things are left unsaid

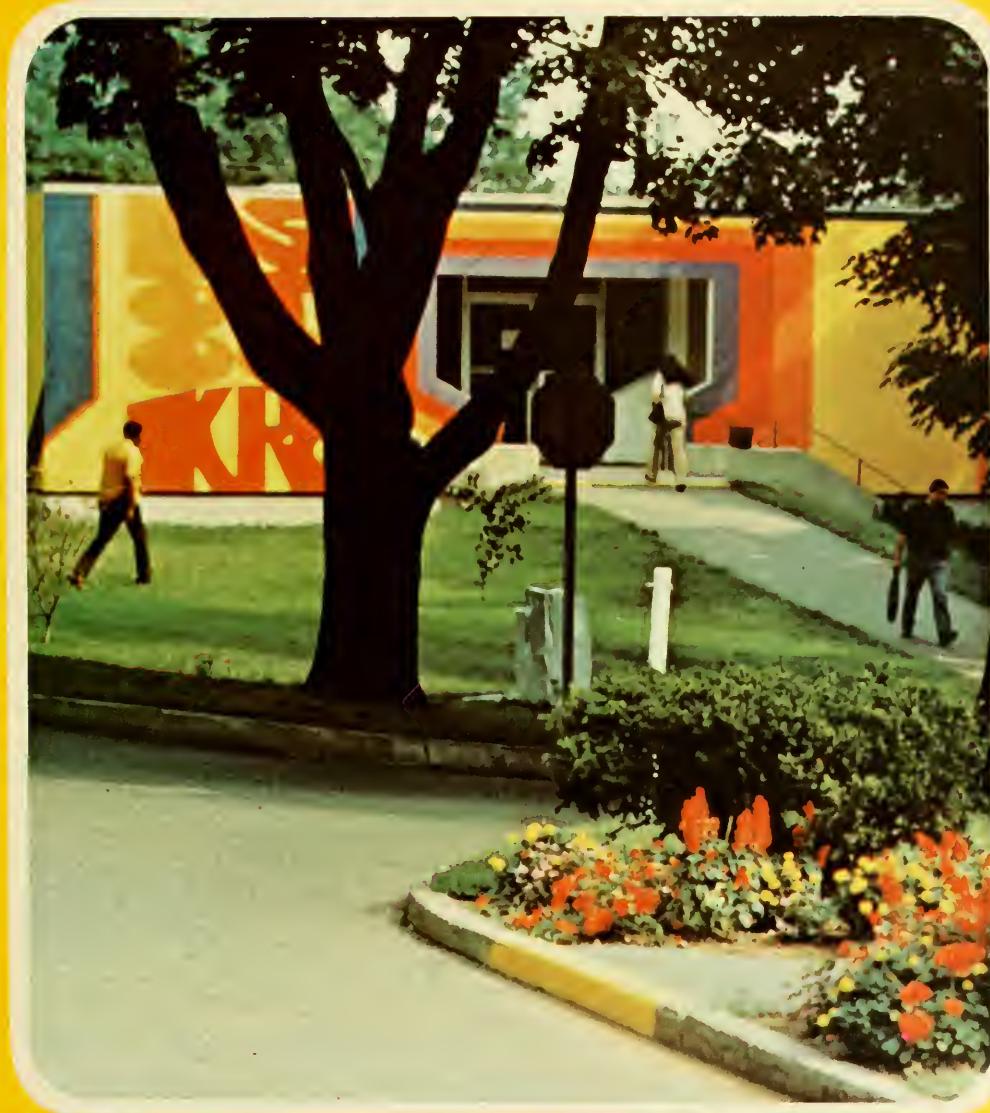

Why can't ya see
What's on the other side of me
The side of me that reaches out to you
Sweet thoughts and dreams
Like drops of rain on rippling streams
That wind, and bend
Rivers with no end
Flowing on the other side of me

It seems I always get unstrung
I trip on my tongue
With words that come out something else
I'm so afraid the things I say
Might Chase you away
I have to hide behind myself

Why can't ya see
What's on the other side of me
The side of me that reaches out to you
Why must I hide
These feelings that have been denied
See what's on the other side of me

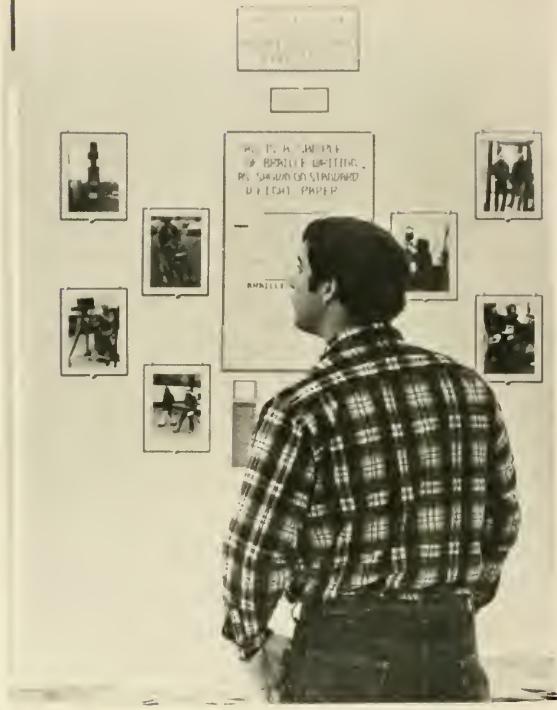

On the other side of me

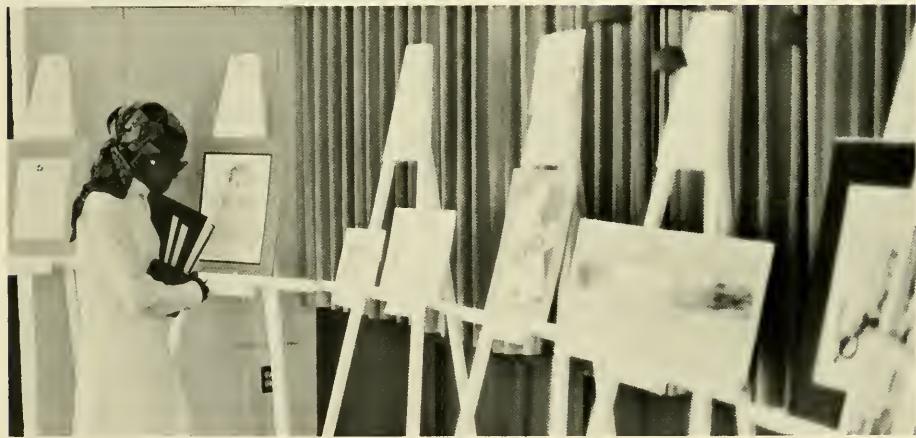

SPRING

Arts Festival

Patchwork '77 was held from Monday, April 18th to Saturday, April 23rd. During the week, different cultural events took place on campus ranging from a talent show to an Arts Festival. Fran Caprio, president of the Art League, was in charge of the festival, which was held in the Student Center Lounge all week. Many pieces by students were displayed using different medias. Awards were given out in different catagories such as painting, commercial art, design, and photography. This event really gave all the budding artists of UNH a chance to be recognized.

Bloodmobile

Zeta Beta Tau sponsored their second bloodmobile of the year on Monday, March 7th, from 10:00 a.m. to 3:00 p.m. in the student center lounge. Many students and area residents contributed to the cause and donated 152 pints of the "gift of life." The brothers of ZBT and the people at the American

Red Cross were delighted that so many took time out to support this vital cause, with such a simple act that can save the lives of so many.

Latin Student Dance

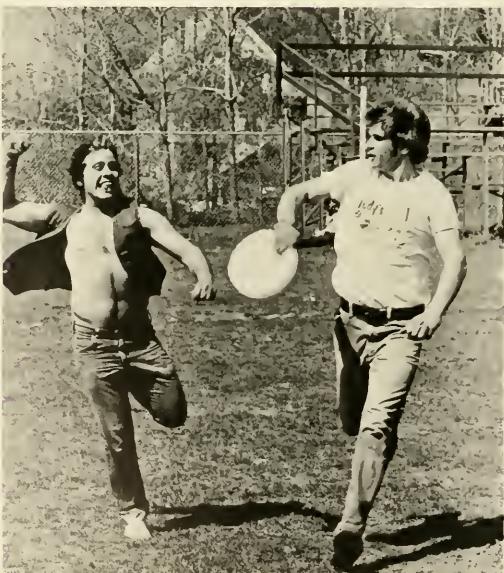

A Latin Student Dance was held on Friday, April 15 in the student center cafeteria. The dance was a success, as many area residents, especially those of Latin heritage, came to join in on the fun. Some prominent people from the area were on hand for the festivities of the evening including Mayor Robert Johnson of West Haven. Some came with food, others came to dance, but all came with basically the same objective — to have a good time. Dance, dance, dance!

May Day Concert

Sunny skies and warm temperatures attracted an estimated crowd of 1,000 people to the North Campus athletic field for a May Day concert on Sunday, May 1st. from 11 a.m. to 6 p.m. Seven bands were featured including Old Dog, Rocko, Desire, Eyes, Geoffrey Crayon Gentleman, Homesick John O'leary, and Eight to the Bar. Zeta Beta Tau Fraternity provided a concession stand and many ate hot dogs and drank beer. Some got involved in playing Frisbee while others were happy soaking up the rays or getting into the forties-style boogie of Eight to the Bar.

Although the crowd was smaller than had been anticipated, everyone seemed to agree that May Day was a very enjoyable and relaxing day.

Chi Kappa Rho Fashion Show And Card Party

This year the sisters of Chi Kappa Rho sponsored their 14th Annual Fashion Show and Card Party on April 13th. The event is held for the benefit of the Virginia M. Parker Scholarship fund, which is awarded annually to a sophomore student on the basis of financial need and scholastic ability. Women's fashions for the show were provided by Fashion Boutique of North Haven. This year's theme of "Just You and Me" was especially appropriate because men's fashions were modeled for the very first time by faculty members and students. P. Hutton and Son of North Haven provided the clothes for this half of the show. An added attraction was a surprise ending in which a wedding gown as well as bridesmaid's gowns were modeled from Corrine's Bridal Shop, also of North Haven. Award winning V. Farricelli's of Hamden created hairstyles for a few of the sisters of XKP. All in all, the show and card party which followed was quite different from the other years and without a doubt it was a night to remember.

WNHU Goes Stereo

Tuesday, March 15, 1977, was a milestone in the history of WNHU. On that day 88.7 finally went stereo. The \$13,000.00 project was in the works for months under the direction of Dick Gelgaua. It took many dedicated students many tedious hours to change the station from mono to stereo. An additional reason why the changeover from dream to reality was so difficult was because the workers had to work on the system while the station was still in operation. With a lot of dedication and determination on the parts of many WNHU is now stereo. So listen up — with both ears!

Alpha Chi Induction

Alpha Chi Honor Society held its annual induction ceremony on April 14. Some 53 students were recognized for their academic and extracurricular achievements within the campus community. Dr. Edward George was on hand for the ceremony, as student recited pledges and received lit candles to acknowledge their membership into the society.

Evening Student Council Dinner

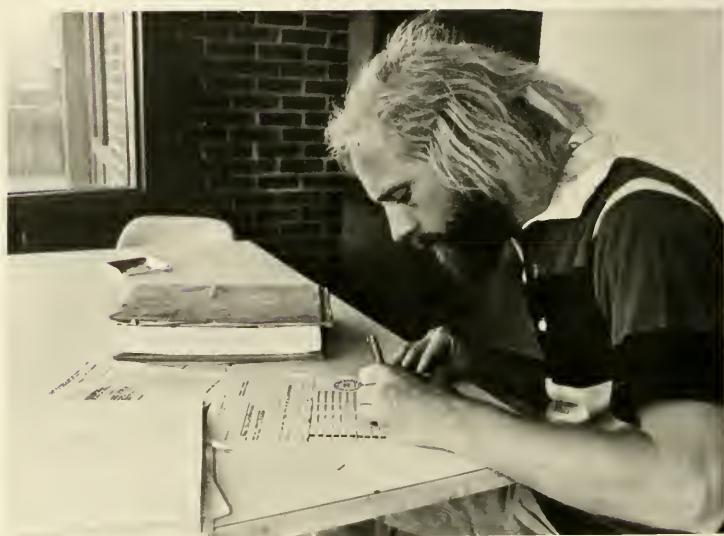

On March 12th, the Evening Student Council sponsored their spring dinner dance at the Graduate Club in New Haven. After the guests signed in, some headed for cheese and crackers while others made their way to the bar. Once everyone finished with dinner, the action moved to the dance floor, where students and administration alike boogied to the sounds of the 70's and danced to many of the old standards. The dinner dance was an altogether enjoyable evening for all who attended.

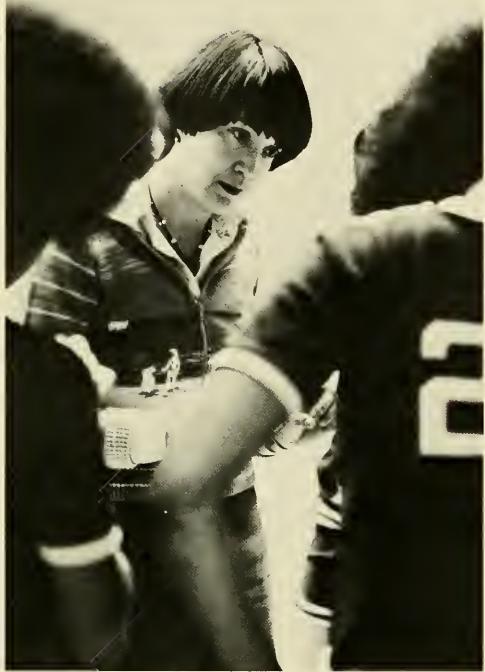

Registration

Registration for the Fall '77 semester was successful as planned. A new system — probably the best so far — was used this semester for the first time. Students signed up for courses on an individual basis, instead of in one large group, after consulting with their advisors. Once the student picked out his or her courses, they were sent to the computer center, where they were typed into a terminal and verified. The student then picked up a scheduling confirmation card which okayed or rejected their selections. The whole process took place over a period of three weeks and prevented a lot of headaches and the hassles which are usually experienced during registration.

THE SUMMER SENSATION

This season loves to interfere
with future life and day's . . . Its
time is brief, its air is rapid
and its life is but a day.

To make itself appealing . . . It
dresses in its warmth . . . It
sings a mellow melody to those
who know of none.

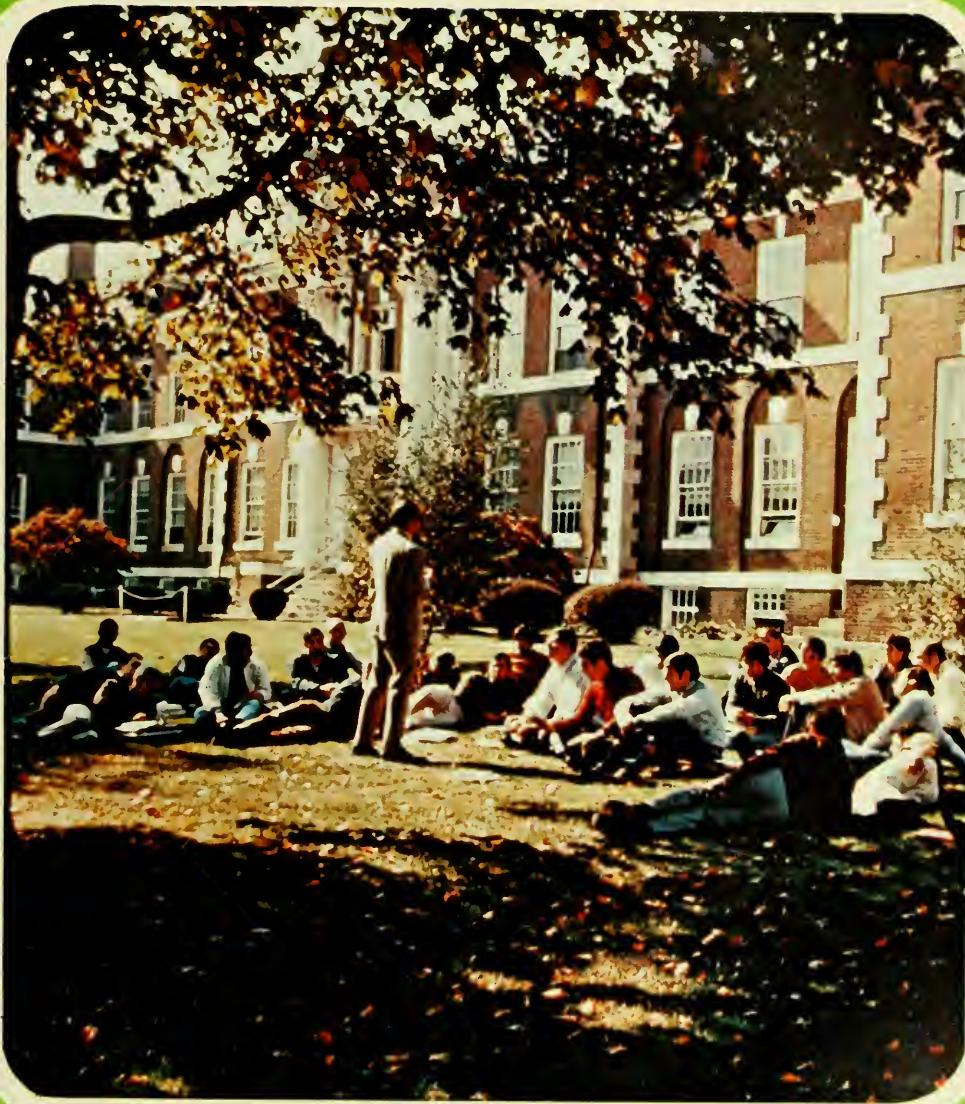

The memories of yester . . . season
began to fade away . . . while never
ending future thoughts invade the
present day.

The message it delivers is more than
just advise . . . It carries in its
message . . . the key to all of life.

What makes this season special is
not its rapid pace . . . but rather
its significance to all the human
race.

It never seems to tarry when it
goes to new creations . . . for much of
life has yet to taste the flavor
of "Summers Sensation."

SUMMER

World Music Concert

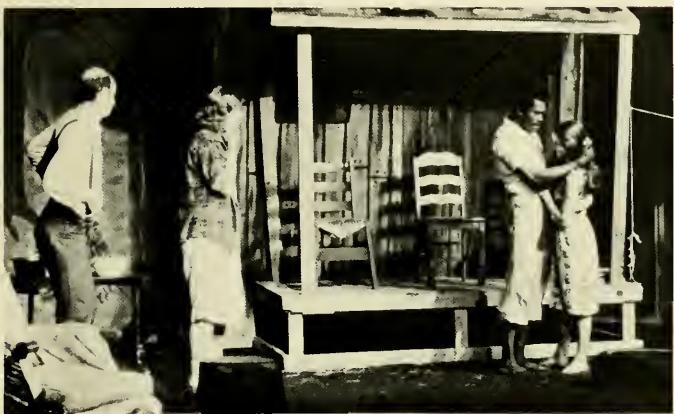

"Music from Around the World" was the theme of a series of concerts held at the University over a course of several weeks, during the spring semester. Musical groups representing many cultural and Ethnic backgrounds entertained at weekly intervals in the Student Center lounge. One week Japanese Music was represented as Namine Torii played the Koto, a Japanese stringed instrument. Another week during the series the Yale Slavic chorus, founded by Noreen Dornenbury, a UNH faculty member, performed for the students. The final concert on Monday, May 9th featured UNH Music department students and faculty.

"Dark Of The Moon"

Under the direction of Peter DeMaio, the New Foundling Theatre presented "Dark of the Moon" from Thursday, May 5th, to Saturday, May 7th. The play, which is written by Howard Richardson and William Birney, was one of the first plays which the New Foundling Theatre has staged since its revitalization in 1976, after several years with no type of theatre group on campus. The group, which is made up of twenty students and faculty members and nine technical staff members, work under Rae Dancy, executive producer. Through their efforts and with a lot of much needed support, they hope to bring more of a cultural atmosphere to the University of New Haven.

Albert Seedman

Albert Seedman spoke before a UNH crowd on April 6th in the Student Center Lounge. Seedman, a former New York City Chief of Detectives, wrote the best selling novel *Chief*, about his experiences on the N.Y.P.D. force. During the lecture Chief Seedman talked about different parts of his book and discussed different cases. One such was the Catherine Genovese murder of 1962, in which some fifty people stood by and watched as the woman was murdered in a New York alley.

Talent Show

One of the more "interesting" aspects of Patchwork was the talent show which was held on Saturday, April 23rd in the Rathskellar. Many students had their chance to sing, dance, tell jokes, and be recognized by their peers. Because there were so many talented acts, and the judges couldn't decide who the winner should be, Mike Pajka, head of the show, named three acts for their content. The Anvill Chorus, The Kitchenets a singing duo, and Nothing Fancy, an ensemble band were all given a token of gratitude for their contributions to the show.

Awards Ceremony

Many students were recognized for their hard work and outstanding service within the University at the second annual awards ceremony on Wednesday evening, May 4th. Certificates were given out to approximately thirty students for their selection to "Who's Who Among Students in American Colleges and Universities. John Ghoreyeb was on hand to present the Dean's awards to some deserving students and Elizabeth Curren, president of the Alumni association presented alumni awards to a day and evening student.

A host of other awards from various clubs and organizations were given out during the course of the evening including — the Day Student Government's Student Contribution Awards, the Most Active Club Awards, and the Outstanding Creative Writing Award, which was given by the English Club. Chi Kappa Rho presented the Virginia M. Parker Scholarship, Zeta Beta Tau awarded its annual scholarship, WNHU presented a broadcaster of the Year award, and the Chariot yearbook staff presented a worker of the year award. The award ceremony is really an excellent opportunity to thank many dedicated students for their dedication in making U.N.H. the school that it is.

Saying and remembering words
that would only make them cry.

This was their last time together.

With Commencement it appears the end is here,

But it's really not that at all.

For you see it is indeed the beginning

The experience of free thinkers, going out into a free society . . . the start of getting to know many people, places and things.

Believe in yourself, do your best . . .

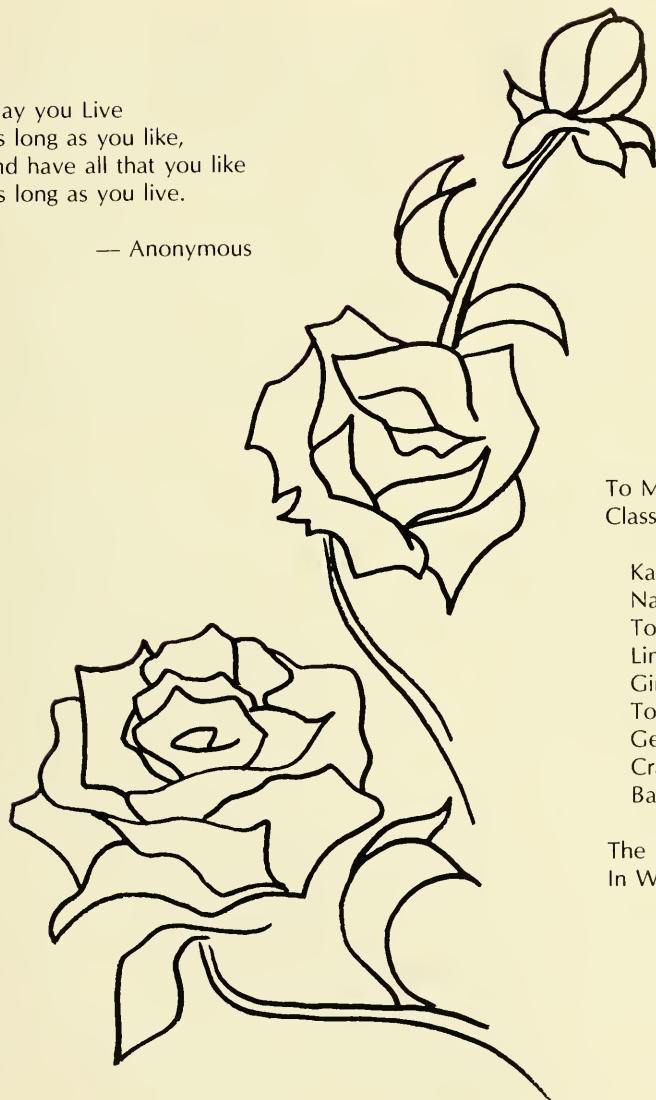

Grab for everything worth the effort

Your reward will be the strong and lasting feeling of Achievement.

"Al-an!"

"What do you mean you, don't have my pictures?"

"Ro, go get something for me in the News office!!!!"

"Rick, where have you been for three days and where's my end sheets?"

"Call Joe in P.R., he'll know"

"Pat, did you do that layout yet?"

"Marion, O.K. this"

"Carol, did you get the senior list yet? Did you type it?"

"Call the Athletic Office, they should have the scores."

"Haydee, what are you still doing home!"

"Marion, check this"

"Diane where is the Copy? Did you write it yet?"

"I called you four days ago, I'm still waiting."

"Marion, where's my check, for the photo's?"

Well gang, you have just experienced a typical day in the CHARIOT office. Comments such as these blended with the not so pleasant odor of stale cigarette butts (which I despise) and the slightly obnoxious scent of left over beer, pizza, donuts, coffee, etc. (you name it, we had it), KNOCKED you over as you entered the door. But all was not "peaches and cream" we had serious moments too.

On the serious side, there are a number of individuals that I must thank. For without their help, the '77 CHARIOT would not be published yet.

Alan and Larry, for without your pictures where would I be.

Pat, you were always around when something was needed and you did a great job with Layouts and design.

Rick, well I got my endsheets and they're beautiful. Thanks for everything.

Brian Hawthorne, our publishing rep. and advisor, what can I say to you, that hasn't been said before, but **Thanks** (you always thought of that special touch.)

I had the best staff on campus working for me, Alan, Diane, Pat, Rick, Larry, Rich, Cherry, Phil, Roseann, Cal, John M., Haydee, Carol and all the rest who helped out during the year. I couldn't have done it without you all.

I look forward to working with all of you next year. It's been a pleasure for me working with a great group of people like you. I hope that you all have a great summer (I know I will). I'll see you when I get back. So while I'm gone don't do any thing that I wouldn't do.

The **Chariot** office was a place where friends could stop in, have a cup of coffee or tea and just talk. It was a happy and friendly place to be.

And to you, Members of the Class of 1977 "To meet someone halfway, to communicate is the beginning of understanding" this book is a combined effort of the yearbook staff and myself, to communicate to you our impressions of **your** reflections of your time spent here at the University of New Haven.

It is my sincerest hope that when you find yourself reminiscing upon your college days, that this book, will be a clear portray of the pleasured experiences depicted.

I hope that you will enjoy the '77 **Chariot** as much as I enjoyed doing it. And now I wish you all the best of luck and happiness, in whatever you all may do in the future.

love
Marion Michelle

It
was
applause

and
entertainment

It was laughter, silly jokes
and friends

It
was
travelling
both

physically
and
mentally

It
was
exploration
of
the

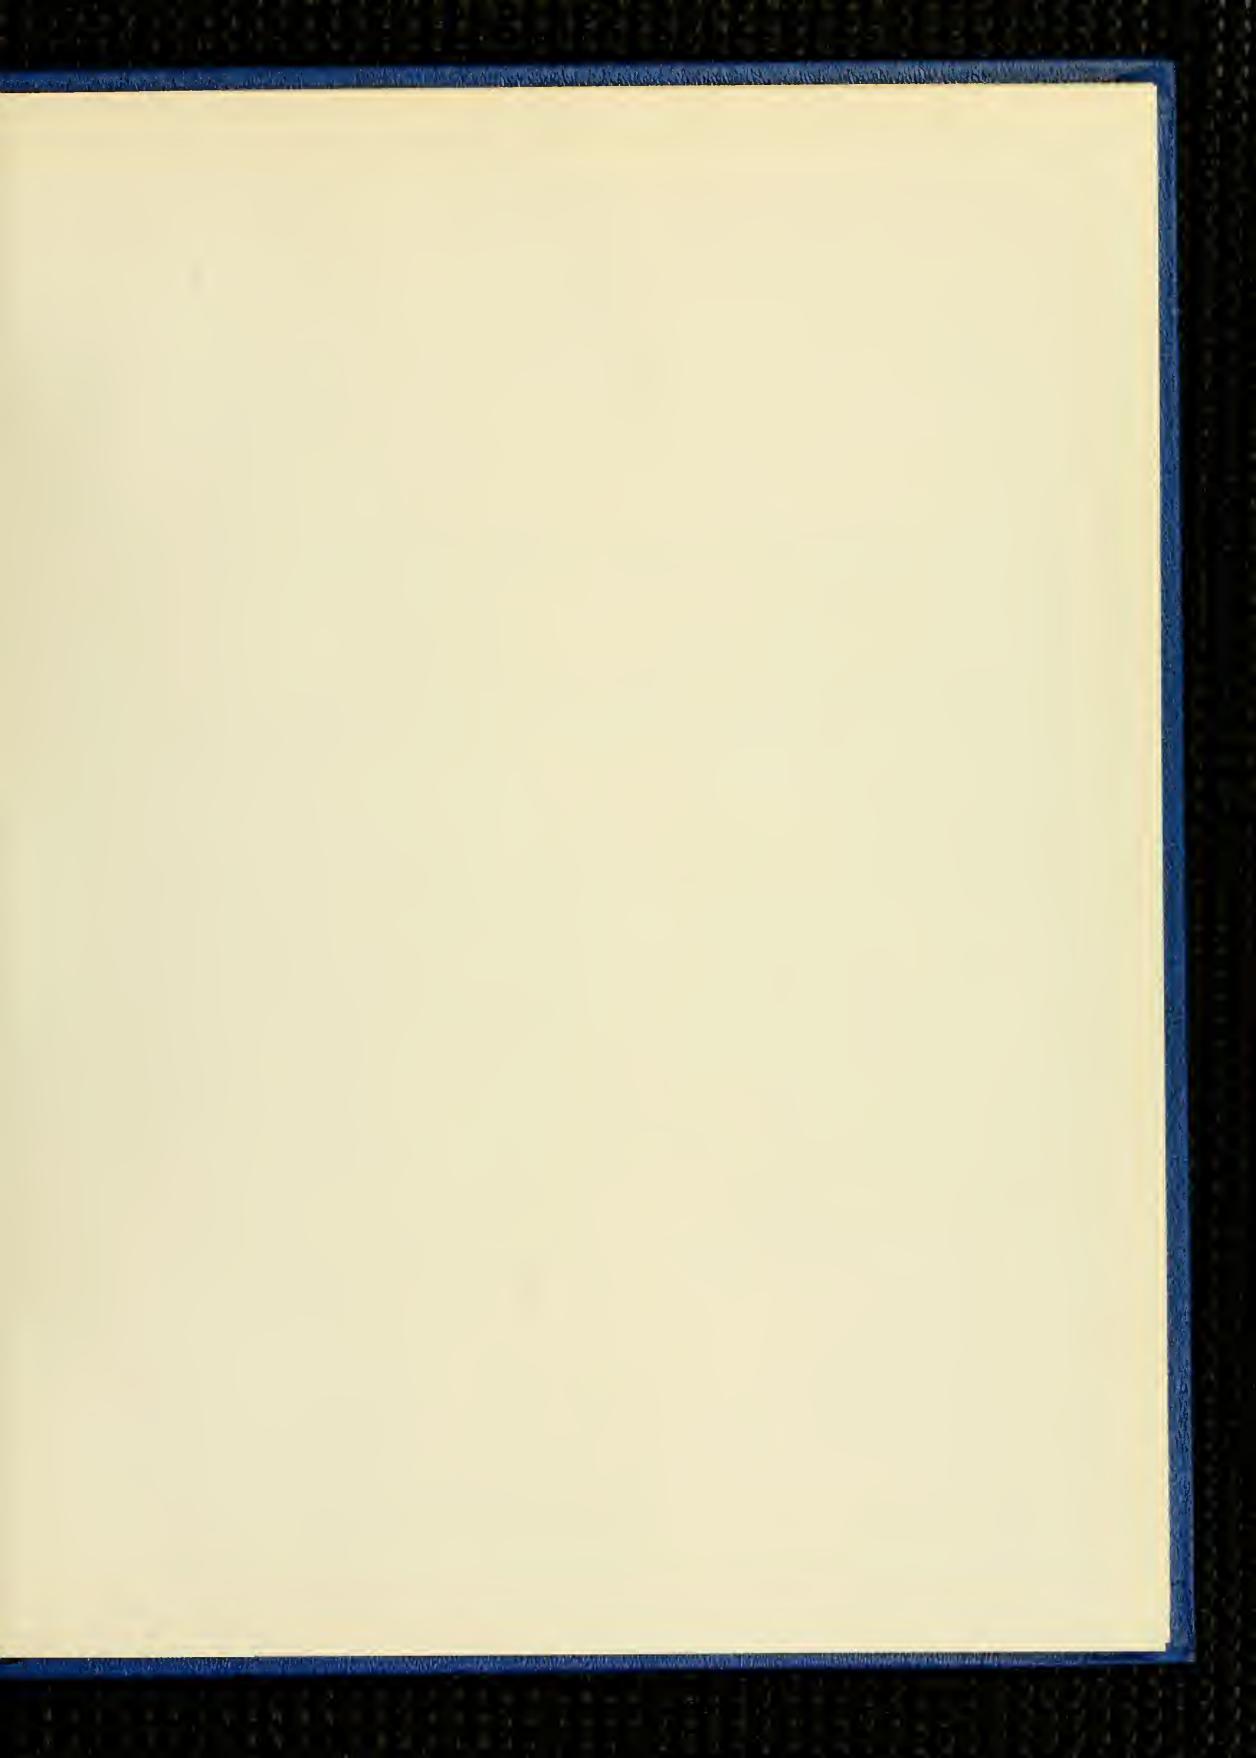

Traditional
and
modern

It was time spent with the same
walls we had entered

and with which we had not expected to, but built perennial ties.

We know what we have to give today;
But what will we be able to give tomorrow?
